

2019 BUCKWHEAT FESTIVAL BARN RULES AND REGULATIONS

Qualifications

1. **All** livestock exhibitors must reside in Preston County. (Residency is established if at least one parent/guardian, with custody, is a full-time resident of Preston County)

4. Lambs tails are docked for cleanliness and to minimize fly strike, but cosmetic, excessively short tail docking can lead to an increased incidence of rectal prolapses and is unacceptable for the welfare of the lamb. Weight: All lambs, hogs, and goats will be weighed and photographed during the published time. Any animal not meeting the weight requirements below will be sent home **immediately following weigh in.**

5. There will be a combined total limit of 12 animals per immediate family.
6. Barn Chairmen have the authority to limit animal entries based on available barn space. Junior livestock exhibitors (market livestock) will receive first priority for available barn space. Time and date of the livestock entry form will be the criterion used to reject non-market livestock entries because of space limitations.

All towing at owner expense will occur without any special efforts to locate owners. Parking on Festival grounds is offered as a way to encourage attendance at the Festival by the general public. It is also a fundraising opportunity for the Buckwheat Festival. The daily parking fee is **\$5.00**.

This area is used, at the Farmer's Day Chairman's discretion, for parking by judges and barn officials; and early arrivals for feeding and cleaning of animals/pens. This is not a substitute parking area for exhibitors to use instead of the general parking areas. There will be no convenience parking adjacent to fences and lanes outside the area. Towing at owner expense and denial of use privileges may result from abuse of this area, as determined by the Director of Parking.
